## Afterward

Unbelievable! Better-sensei is getting married! Alas! Alas! But there it is. Come to think of it, before Girlfriend started serialization, the shock of laying eyes on Better-sensei for the first time in a bar in Kichijouji is something I can't forget even now! Small... and thin...! Hair cut short and dyed brown, looking good in a mini skirt, small bust, but really cute! The thing that has stuck with me was how her pure black eyes really moved around when she talked. And so you possessed my heart.

Then I was on pins and needles thinking "Is this sexual harassment?" while I finished the scenarios. Just as I sink into a funk thinking "Have I really gone waste the time?" you bring the amazing artwork. You just hand it over with complete indifference saying "It's done"...

When I consider your cute little hand laying down this artwork, L.. L.. And now you're going to be someone else's wife! I'm going to put my efforts into writing scenarios!

And so, sorry to keep you waiting. We bring you "Girlfriend" volume no. 2.

## ***Afterword***

Hey there. This is the artist. Thank you very much for purchasing *Gelfond* Volume 1.

Well, since *Gelfond* is a collection of stories with characters that only appear in their own chapter, I feel it's been pretty tough work since just as I finally get used to drawing a character, I have to create new characters from scratch. But that's interesting in its own way too.

***Bettencourt***

I'M NOT  
LONELY  
ANYMORE  
SINCE I  
HAVE YOU..

WHAT ARE  
YOU SAYING

A black and white manga panel showing two characters standing outdoors. On the left is a smaller character with short hair, wearing a sailor-style uniform. On the right is a taller character with spiky hair, wearing a light-colored button-down shirt and dark pants. They are facing each other in conversation.

I TURNED HER  
DOWN 'CAUSE I  
WAS GOING OUT  
WITH SOMEONE.

WHEEL CON-  
FERRED TO ME  
RIGHT AFTER  
SHE JOINED

If you do, I

in myself.

It's ok if

It's.

you've got
